F C / Am G /
The strength of my own arm couldn't carry me for long
F C / Em /
It only made me weary and weak
F C / Am G /
Every idol failed me, and the praises of men
Am /
Were only ankle deep

=====

G D / Am C /
Yeshua, You are all I want, you're all I need
G D / Am /
And I will always seek your face
G D / Am C /
Yeshua, You are all I want, you're all I need
G D / Am /
And I will always seek your grace

=====

The glory of this earth is fading like a candle
Because you're the only real source of light
Foolish self-ambition and the weight of pride and sin
They were never worth the price

=====

G D / Am C /
Yeshua, You are all I want, you're all I need
G D / Am /
And I will always seek your face
G D / Am C /
Yeshua, You are all I want, you're all I need
G D / Am /
And I will always seek your grace

F / Em /
II: You're all I want, you're all I need (4x's) :||

=====

Em F / G Am /
'Cause in the depth of my despair you did not leave me there
Em F / G Am /
And in the darkness of my mind you have shed a light
Em F / G Am /
And in the hardness of my heart I put a spear into your side
Em F / D / (rest) /
To punish me you gave your life

=====

The treasures of this world some day are gonna burn
And the wisdom of this age will come to naught
None of it can compare to your majesty and glory
So why would I waste my time?
